Revival Meeting.

Revival services under the big tent began last Sunday morning. The first day proved to be a very encouraging one indeed. The attendance at the Sunday night service was between five and six hundred and the interest continues to grow. Two hundred more chairs have been provided since Sunday, and two more planes. We now have about eight hundred chairs in the tent, three pianos and a number of other instruments. The singing is excellent. At present we have from fifty to seventy-five voices in the choir and new ones are added each night. Mr. Howard Martin is the musical director and is handling his work in a most excellent manner. Rev. J. D. DeGarmo is the personal worker and is conducting the service until the evangelist T. T. Martin arrives on June 10th. Everything points toward a great meeting, and we extend a hearty welcome to the public far and near to come. Services this week at night only, next week day and night.

ST. LOUIS LIVE STOCK MARKET.

Special report to Ripley County Democrat National Stock Yards, Ill., June 6, '12. Cattle receipts 5000. Dullness featured the market today. Barring strictly good steers which were steady to 10c lower, market otherwise was largely 15 to 25c lower on steers, cows and heifers. Compared with last weeks close, best steers are 10 to 15c, others 25c lower. Cows and heifers have declined fully 50c per cwt. Increasing receipts of southern grass cattle a big factor in the trade for everything not strictly good. Hog receipts 6000. This department exhibited no change from that of yesterday. Top hogs \$7.75. The immediate future depends entirely upon the volume of receipts. Sheep receipts 6300. Spring lambs opened 25 to 50c lower, with buyers still in the game at the close. Good to choice grades sold at \$8.50 to \$9.25. Sheep opened 25c lower but at the close market was 50c lower with buyers virtually out of the trade. An early lot of \$5.00 was made, but at the finish fat ewes brought \$4.50 to \$4.75.
